

SAFE STAY PROGRAMME

WORKING TOGETHER TO HELP PREVENT CORONAVIRUS

Dear Guests,

Welcome to the Sligo Park Hotel.

The health and safety of our guests and staff remain our top priority. We have developed a Safe Stay Programme in line with World Health Organisation, Health Service Executive and Irish Hotels Federation guidelines.

OUR DUTY OF CARE TO EMPLOYEES

- Staff training will take place continuously to facilitate the implementation of our Safe Stay programme.
- Personal Protective Equipment (PPE) will be worn by employees based on their responsibilities in line with HSE and IHF guidelines.
- We use certified and completely safe disinfectants to clean all areas.

OUR DUTY OF CARE TO GUESTS

- Our Safe Stay programme is our commitment to making your experience as safe, healthy and comfortable as possible. We will continue to monitor and update these controls as new measures are introduced or recommended.

Together, we can all get back safely to enjoying the very best of Sligo and what the Wild Atlantic Way has to offer!
