

ENVIRONMENTAL & SUSTAINABILITY POLICY 2026

Passionate about making greener choices

OUR COMMITMENT ENVIRONMENTAL POLICY

At Sligo Park Hotel, we are committed to caring for the environment, supporting our local community, and creating a more sustainable future for tourism in Ireland.

We are proud participants in the Green Hospitality Programme and holders of the Eco-Label Award (2024), and we are actively working with the Fáilte Ireland Climate Action Programme to reduce our carbon footprint.

OUR COMMITMENT TO SUSTAINABILITY

Reduce our environmental impact through responsible use of energy, water, and materials

Protect and enhance biodiversity across our grounds

Support local suppliers and the regional economy

Encourage sustainable choices for both guests and staff

Continuously improve our environmental performance

ENERGY & CARBON REDUCTION

100% renewable electricity for the past three years

Solar PV system (400 panels) generating 170,000 kWh annually

Significant carbon savings equivalent to 1,869 trees planted each year

EV charging available on site, supporting low-carbon travel

Full transition to energy-efficient LED lighting

Ongoing monitoring of energy use through smart systems

We have significantly reduced our carbon emissions since 2017

WATER & WASTE REDUCTION

Linen reuse programme (every third night)

Active waste separation and recycling across the hotel

Reduction of single-use plastics wherever possible

Food waste reduction and recycling initiatives

Continuous monitoring to prevent leaks and reduce water waste

BIODIVERSITY & GROUNDS

Native planting and pollinatorfriendly gardens

Herb gardens, composting, and sustainable landscaping

Wildlife features including bird boxes, bat boxes, and bug hotels

Eco-friendly willow arch supporting biodiversity and natural habitats

FOOD, SOURCING & OPERATIONS

Strong focus on local Irish suppliers, including seasonal produce

Reduced food waste through smart menu planning and reuse

Sustainable cleaning products and energy-efficient kitchen equipment

Plant-based and sustainable food options available

SUSTAINABLE OPERATIONS

Paperless check-in, check-out, and communications

Digital contracts, training, and onboarding systems

Reduced printing through digital alternatives and smart technology

Energy-efficient systems and continuous investment in green technology

COMMUNITY & RESPONSIBILITY

Annual charity partnerships:
2025: Irish Heart Foundation
2026: Down Syndrome Ireland

Support for local sustainability initiatives in Sligo

Promotion of green transport such as cycling, EVs, and walking

Staff wellbeing initiatives including Bike to Work scheme

CONTINUOUS IMPROVEMENT

We are committed to ongoing improvement through:

Regular monitoring of energy, water, and waste

Staff training and engagement

Investment in sustainable technology

Annual review of environmental performance

Together with our team, guests, and partners, we are working towards a more sustainable future for hospitality in Ireland
