

Dear Guests,

We would like to let our patrons know that under the current Level 3 restrictions, the Sligo Park Hotel is open to and accepting bookings from guests within County Sligo and essential workers only.

The health and safety of our staff and visitors remains our top priority and we are adhering to government and public health advice to ensure your visit to the Sligo Park Hotel is a safe and comfortable one. Our Safe Stay programme, which we introduced when we reopened in June, is in place to make sure guests have a safe and comfortable experience.

We currently have two packages suitable for essential workers and for guests within County Sligo who may need a mini break away from home.

For essential workers, our Jack B's midweek business offer includes B&B and a bar main course: <https://secure.sligoparkhotel.com/bookings/specials/jackbs-midweek-offer>

For those looking for a treat and a mini staycation, our Sligo Staycation offer includes two nights' B&B and 1 dinner: <https://secure.sligoparkhotel.com/bookings/specials/sligo-staycation-for-2-with-2-b-and-b-and-1-dinner->

We would like to thank all our employees, clients, patrons and the wider community for your support and understanding during these challenging times.

We look forward to when we can welcome more guests back to the Sligo Park Hotel and help you safely enjoy the very best of Sligo and the Wild Atlantic Way. In the meantime, stay safe, stay home and we hope you see you in the near future.
